

How to submit an Chapter to OFW11 Book

Step 1: Are you already registered in Easychair?

Access <https://easychair.org/conferences/?conf=ofw11>. A page as shown in Figure 1 will appear.

The image shows the EasyChair login page for the OFW11 conference. At the top is the EasyChair logo with the tagline "The conference system". Below the logo, it says "Log in to EasyChair for OFW11". A small disclaimer states: "EasyChair uses cookies for user authentication. To use EasyChair, you sh easychair.org." Below this is a login form with two input fields: "User name:" and "Password:". A red "Log In" button is positioned below the password field. At the bottom of the form, there are three links: "If you have no EasyChair account, [create an account](#)", "Forgot your password? [click here](#)", and "Problems to log in? [click here](#)".

Easychair is a conference management system. By creating an account in Easychair, a user will be able to use the same account in different conferences that make use of this platform, without the need of creating a new account for each conference. If you already have an account in Easychair, just fill in the form with your username and password (refer to figure 1) and move to **Step 5 - Submission**.

If you forgot your username or password, use the option "Forgot your password" to recover this information and move to **Step 5 - Submission**.

If you are a new user, proceed with Step 2.

Step 2: Begin Easychair Registration

If you don't have an Easychair account, choose "Sign up for an account".

A new page will appear (refer to figure 2), which asks you to reproduce a sequence of characters. This is a security measure of the platform. Just enter the sequence of characters in the form and click "continue". If, for some reason, the characters are unreadable, you can ask for a new sequence.
